Aeolian Winds — Piano & Flute Duo

BASED IN BERN, SWITZERLAND 

SoFi Oleinik - flute & Mariia Gapon - piano

Venti Aeoli, presents a versatile and thoughtfully curated program for flute and piano, spanning from Bach and the elegance of the French repertoire to contemporary works. Their performances are distinguished by a refined musical dialogue, stylistic authenticity, and artistic depth, offering audiences both clarity of interpretation and a profound musical experience.

The name Venti Aeoli — “Aeolian Winds” — is inspired by Aeolus, the ancient Greek god of the winds. Just as the winds have different directions and characters, the duo reflects a dialogue between diverse musical traditions, bringing a fresh perspective to their performances. With every note, SoFi and Mariia aim to convey movement, lightness, and vitality, creating a sense of openness and energy in the music they share.
